

Design A Football Shirt

Help us fill the **Shirt Gallery** at this year's Guiseley World Cup Warm Up street party event with colourful and exciting football shirt designs!

Want to get a head start on the World Cup fun? To design your shirt before the event, follow these steps...

- **Download & Print** your blank shirt template from the Guiseley Lights website.
- **Pick a Team Theme:** Use our "Team Theme Menu" below to inspire your design. Write the name of the theme you've chosen next to "Team" on your entry.
- **Get Creative:** Use pens, pencils, crayons...whatever you like to colour your design. Don't forget to write on your name and age!
- **Join the Gallery:** Bring your finished masterpiece with you to the World Cup Warm Up event on Sunday 31st May. Head to the Shirt Gallery and find one of our Guiseley Lights "Ref's." They will help you hang your design on the line for everyone to see!

Note: This is a display activity to celebrate our community's creativity. Let's fill the gallery!
